That recognize your destination

One he/she parred the question's of grave, then a window is opened in his/her grave, and the person can see the Golden mansion and all the blessing. waiting for him/her in Paradise, and if failed in questions of Angels, then a very very painful punishment started, as well sight of Hell destination. Third part of Soorah-Mubarakah is about a disbelieve nation which was called THAMUD. This nation was part of Nabat em Empire and reside 400 km north of Madina. Madina-Saleh (Yas), They reside in this area 600 BC. The name of their Prophet was Shu'ayb. This event is repeated in Holy Qur'an many times, $\frac{73-76}{27}$, $\frac{61-62}{141-153}$, $\frac{45-49}{27}$, $\frac{23-25}{54}$, $\frac{80-84}{15}$. Their worst was Shirk (عس) and قراة القرآن violence and war in the Area. Hazrat Saleh (عس) forbid them from their sins, they demanded a miracle that in front of their eyes. Mountain Rock will split at once now and a female camel will come out and give birth. It was a strange demand, But عس prayed. ALLAH (عس) ordered and same thing came into existence. Nation never accepted Islam and said you are a magician. There was a well in this Area, on time of drinking water was decided for nation and female camel Prophet (عس) warned nation that do not harm female camel and calf. But they planned to kill and worst Person عس killed with help of his companions female camel (عس) and calf in a brute way. 3 day time was allowed them to live and a عس (Awful - cry) An Angel was ordered to make a great thunder full, cry - all the nation was died in their homes. Except Prophet (عس) and believers. And ALLAH (عس) feared not any consequence. Like Human beings revenge or any action against enemies, then they feared if enemy reply, How we can survive.

Lesson is that recognize your destination. For Hell is Grave and Jannah is Paradise. So choose always. If you choose always Jannah, you will be in it.

سورة الشمس

سورة الشمس THE SUN

Most Senior student recite and translate.

This Soorah-e-Mubarakah was revealed in Mecca.

Main Point of the Soorah is the Fundamental

Question of Human beings Purpose of Life

and choosing the way of life with his/her

own free will. His/her destination (final and for

every) depends upon the way chosen by the humans

When Human being realise, feel, understand and

believe the existence of ALLAH ﷻ, then all

Further steps of belief will start, the progress

of all further steps in the way of Islam depends

upon how much level of belief of Existence

of ALLAH ﷻ. About understanding of

ALLAH ﷻ Existence, ALLAH ﷻ Never explain or present the mysterious exa-

mples but ALLAH ﷻ Present the most

clear, understandable and the things which

are in front of Human beings 24 hours 7 days

They can't ignore those signs, ① SUN ②

MOON ③ DAY ④ NIGHT ⑤ SKY (HEAVENS) ⑥ EARTH

⑦ Human being's (body and soul) ⑧ The ability

of doing bad deeds and good deeds, As

usual in chapter No 30 of Holy Quran. ALLAH

ﷻ Swears his most clear signs.

and then announces the decision, which is that

indeed s/he succeeds who purifies

him/her - self - indeed he/she fails who corrupts

his/her own self - The most important point is that after creating and blessing the Seng - ALLAH ﷻ

اللهم صل وسلم على سيدنا محمد وآل وصحبه وازواجه بعد ذلك صلواتك

اللهم صل وسلم على سيدنا محمد وآل وصحبه وازواجه بعد ذلك صلواتك

اللهم صل وسلم على سيدنا محمد وآل وصحبه وازواجه بعد ذلك صلواتك

Revealed wrong and right ways to Humans, Like as well in Soorah-e-Tahaq - 50
 50-51 في الدنيا والآخرة - He who gave to each thing its form and Nature
 and then guided it in this Ayat - Mubarakah - Animals and all other Creatures, are also included
 to be guided by Allah ﷻ, also according to their level. As well as (right, wrong) other meanings are also possible
 to guide him

اللهم صل وسلم على سيدنا محمد وآله واصحابه وازواجه وبناته بعدد كل صلوة
 قال الله تعالى: وَمَنْ يُؤْمَرْ بِالْعَمَلِ فَلْيُجِدْ فِيهِ خُلُقًا نَضِيحًا
 Then ALLAH revealed wrong and right for him/her. Please note this is most important issue/point which differentiate Humans from Animals. That ability and wish for doing good and bad is revealed by ALLAH. **BUT WHY ???** because ALLAH wants to Test his best creation that, with his own free will which way is chosen by him/her. Please remind 3 Lessons: Purpose of Life (8-11-09), Signs of ALLAH (14-02-10) and (256) There is no compulsion in Religion.
ALLAH WISHES THAT HUMAN'S WILL CHOOSE THEIR OWN FREE WILL.
 Except Humans and Demons/Sajina. all creatures are forced by ALLAH to choose Islam, so they have no second choice: انا هدنته السبيل اما تناهتني انا وما اكدت به ربي (3/76)
 We showed him the way, whether he be grateful or disbelieve (angry) **وَقُلْ اِيَّاكَ وَرَبَّكَ فَخُذْ سَبِيلَكَ فَاِنَّ سَبِيلَنَا فَلْيُحِبُّهُ وَرَبِّي**
 And say "The truth - P-387 (29/18) is from your Lord. Then whoever wills let him believe; and whoever wills let him disbelieve. more references: 31/3, 35/6, 59/11, 92/27, 41/39, 3/76, 104/6, 27/7, 7/11, 167/11, 161/7, 54/51, 185/3, 53/88, 91/31

For example, if in this life, some body ask a traveller, where are you going, and he said "I don't know, what do you think about him,?" in this life for a traveller it is most important that a traveller must know, what is destination, then he/she plan, arrange all necessary requirements by which source he travel... So now realise our destination is grave for this temporary life. what is our plan to be successful in grave. because Holy Prophet said your grave is bed of flowers of Jannat or a ditch of five Hell. Most important problem is that a large majority do not want to understand and realise the reality of their life. We can understand as under (This 60, 70 year life) its destination is grave, if possible many people are died in such a way it is not possible to carry them to universal level its destination is Jannat or hell.

اللهم صل وسلم على سيدنا محمد وآله واصحابه وازواجه وبناته بعدد كل صلوة

Specially Holy Kaba and Holy Mecca are too much gratefull to the Holy Prophet ﷺ because the Qibla was AL-AQSA MOSQUE of JERUSALEM, But Holy Prophet ﷺ was not pleased with this decision. He was obeying the order of His beloved Lord ALLAH ﷻ to turn his face towards Jerusalem, in which DOME OF ROCK / SYLQA. But he wished that Qibla should be the Holy KABA, and in his face was towards Heaven in Prayer, P-40

Order came ^{us/2} $\text{وَلَا تَجِدُ أُمَّةَ يُؤْتِيهَا الْكِتَابَ وَكُلٌّ مِنْهَا حَرَامٌ}$ (Q-40)

Just for the Pleasure of our beloved Holy Prophet ﷺ Qibla was changed. Our beloved Holy Prophet ﷺ has ultimate Authority of decision, with very special Grants of ALLAH ﷻ once upon a time. Holy Prophet ﷺ friends (رفقاء) Described in a very sad manner, that $\text{أَيُّهَا النَّبِيُّ كُنَّا نَسْتَعِينُكَ فِي حَرْبِنَا وَنَجَاتِنَا}$ (Q-40)

We left Holy MECCA, because you left! You left Holy KABA, So we left Holy KABA Just because for you, but we still missed Holy KABA, when we were in Holy MECCA we wear AHEAM and Perform UMRAH, But in MADINAH MUNAWWARAH How we Perform, UMRAH Holy Prophet ﷺ said, Any Muslim who read Just two NAFL in the MASSID-E-QUBA. (هو مسجد) He/she must be awarded the Reward of UMRAH, Shareef. Just by the Authority of our beloved Holy Prophet ﷺ

Every one who Read Two NAFL in this mosque,

He/she must get Reward of UMRAH-- Please note there are two more meanings of "Will be allowed" ① The disbelievers thought, send you in Exile is allowed for them, ② beloved Holy Prophet ﷺ, you will be allowed to kill disbelievers in this city, as it was done on the day of conquer of MECCA. At the time, because on

Please note that Human beings whos are parading a very easy life, they have no tension about what they are eating, wearing, earning their behaviour, faith, social life, they free them selves, and as compare to the people who are trying to cross the steep path or valley of Hardship by obeying orders of ALLAH (diviner) and Holy Prophet (Musa) will they be equal. No no definitely (رسول الله صلى الله عليه وسلم) not what is sleep (النوم) highest path in mountains. free the slaves. and give giving food in the day of hunger. Charity look after orphans. Claims of *قَالَ لَا يَأْتِيكُمُ الْبِرُّ إِلَّا بِالتَّوَّابِ* or *قَالَ لَا يَأْتِيكُمُ الْبِرُّ إِلَّا بِالتَّوَّابِ* a disbeliever, his Proud, his wealth, health and might and his saying that I have destroyed my money for stopping the message of Islam.

So if we are true believers, we have to spend money for the message of Islam. Allat (Glorious) has awarded us some of Seeing and Hearing the hearing and patience for believer etc. Life is a price of cake for Disbeliever and it is calling a great Handship and patience for believer (will be in everlast) *قَالَ لَا يَأْتِيكُمُ الْبِرُّ إِلَّا بِالتَّوَّابِ* for Hardship and Handship is a great hearing

THE DAWN: سورة الفجر

Most Senior student Yeciet Soorah-e

Mubarak, This Soorah was revealed in
MAKKAH-TUL-MUKARRAMA. AS usual started
with Swears. Dawn is time of starting
the day. All Mankind and Animals. Plants started
their normal life cycle again in other meanings, FATAR

Prayer, also FATAR Prayer of 1st day of Muharram,
سنة الفجر means, The 10 nights of Dhul

Hajrah (الحج) the last month of Islamic
Calendar. Holy Prophet Muhammad (PBUH) said
The worship of 10 days of 4 is most loving
for ALLAH (الله) and the worship of 10
nights, Reward of worship of every night is
equal to Reward of 10 days. Reward of fasting
of one day is equal to Reward of fasting of
all year, many people said, 1st 10 days/nights of
Ramadhan and last 10 days of Ramadhan. But
Mostly as Hadith Mubarak described these are

1st 10 days/nights of 4 and 10 nights of 4
it means EVEN and odd, There are 36 meaning
described for those two words, most important
is that creations of all worlds are even in
different aspects and dimensions/factors, but
ALLAH (الله) is ONE which is "ODD"

RAKATS of Prayer, Maghrib is ODD, Grades of Paradise
are 8, but Grades of Hell are 7, night
when the night is near to finish, night
when night came after day, as in 33/74
There are many creatures appeared in night,
There are the rituals of Black Magic in Darkness

of night. The most positive thing is the last part of night, the time of prayer of
TAAJID. The meaning of TAAJID is it not oath for wise people. Imam
described from Hell fire, and Imam described the meaning of
from Al-Qur'an, that the meaning of
saved from Hell fire, and Imam described the meaning of
from Al-Qur'an, that the meaning of

01-01-12 Please note these additional pages from 70 to 77 are in the explanation of story of GIANTS and

70 are part of Soorah-e-FASR:-

The 'أَشْرَارُ' People were extremely Giant

Please note that the Height of Hazrat Adam

was 60 cubits (90 feet) and his

width was 7 cubits (11 feet) as given in

سورة الفجر (آية 5) في سورة الفجر

عن أبي هريرة أن رسول الله صلى الله عليه وآله وسلم قال

قال إن طوله سبعون ذراعاً في سعة أرجله

Narrated by Hazrat Abu-Hurairah that Holy

Prophet صلى الله عليه وآله وسلم said Height of Adam was

60 cubits and width was 7 cubits...

Now the height of man Jabbar was more

According to reports more than this height

Specially a person his name was '09' or

oudg son of Anak. قال في سورة العنكبوت

extremely high, that's why ALLAH عز وجل

said الَّذِينَ كَفَرُوا سَاءَ مَا يَحْكُمُونَ

Holy Prophet صلى الله عليه وآله وسلم said when

the people asked/described about سَاءَ مَا يَحْكُمُونَ

There was man who came near a big

Rock and lift it on his shoulder and

throw on a tribe whatever he wants

All the tribe was crushed under the

rock and killed. This Hadith was

narrated by أبي هريرة and أبو ذر الغفاري

(رضي الله عنهما) The companion of Holy Prophet

صلى الله عليه وآله وسلم name is أبو ذر الغفاري

وَأَبُو ذَرٍّ الْغَفَارِيُّ

And old Testament, the same story is described

as when 12 men sent by Hazrat Musa

They reported. We saw the Nephilim there, we

seemed like GRASSHOPPERS, in our own eyes, and we

Now Please note the size of grapes: "When they reached the valley of Eschol they cut of a branch bearing a single cluster of grape, two of them carried on a pole between them - numbers, 13:24] is destroyed the Amorite before them though he was tall as the Cedars and strong as oak [AMOS 2:9]. Please note the length and width of 09 bed is definitely measured by different definition of cubits which

which was not compatible with heights and length were already given in Bible [Deut:3-11] Those all above references are related with old Testament (TORAH) and Bible. Now we have to check what are the References in Holy Quran and Hadith Mubarak about Giants.

لَمَّا رَأَى الْكَلْبُ الْبَنِي إِسْرَائِيلَ فِي سَبْعِينَ أَلْفًا نَفْسًا قَامَ عَلَيْهِمْ فِي سَبْعِينَ نَفْسًا فَنَادَى فِي سَبْعِينَ نَفْسًا قَامَ عَلَيْهِمْ فِي سَبْعِينَ نَفْسًا

My Power have gone from me (29) it will be said) seize him and fetter him. Then throw him in the blazing fire. Then (fasten him with a chain) where of the length is Seventy (70) cubits. (another meaning according to word كَيْفَ insert the chain of 70 cubits

in his body, 70 cubits means body of the person should be Giant as in Hadith mubarak

60 cubits, it is not a logic the 5 FT body and 70 cubits chain inserted in the body

Now the length of 60 cubits of body is described in Authentic Hadith Mubarak as of

1 cubit is length of arm from Elbow to the Tip of central finger

Note if Height of body is 1 cubit. Please

1.5 feet cubit = 1.5 ft, and if height is 90 ft

then 1 cubit = 27 ft

1.5 x 90 = 5 x 90 = 315 x 90 = 27 ft

So different sizes of cubits were used according to the Total height of Human being.

Please note in 4:10, 70 cubits are not according to our cubit size, those cubits are according to the Scale of Heavenly measurements

the People of Hell have ultimately Very Very Large bodies, So they will taste more and more torture of Hell fire, it is found in the Hadith Mubarak of Muslim Sharif. that the molar or carving of Hell Persons are equal to the UHUD Mountain (whose length is approximately 9 miles) if molar will be so big than what will be size of skull, arms, legs, and total height REFERENCE are provided in the

 that 1 cubit = 1.5 foot. Please note that

 is named as Adam Peak. Adam bridge, many
 other claims also described as Buddah and

سورة الفاتحة

(OVERHELMING)

List of all recite Soorah E-Muharaka. Please note that in all Holy Quran, Normal addressing style to Mankind is in this order.

1. Signs of ALLAH (الآيات) which are in universe, Nature and in Mankind. So Human beings need to think that there is a creator

2. Reminder! For all mankind that This Life is a test for Permanent life and this life is a purely temporary.

3. Be believer and faithful to ALLAH (الاسلام) Stop bad deeds, do good deeds

4. There will be one day which is called day of Judgement. All dead Human being will be live again (it doesn't matter which was the cause of death)

5. All Mankind will be held answerable for their deeds, and decision will be decided for their final destiny.

6. Good People will be successful and send to Paradise (الجنة) where a luxurious life for ever

7. Bad People will be failed in the Test and send to HELL (النار) where will be very painful Punishment for ever.

Now in This Soorah-e-Muharaka, the order of lesson is changed and starts from the day of Judgement (الْيَوْمَ) mean the overwhelming. It means the day of Judgement. And question is to Holy Prophet (صلى الله عليه وآله وسلم) - Have you received the news of (اليوم) It is narrated in (اليوم) Holy Prophet (صلى الله عليه وآله وسلم) was in the way and he listened (اليوم)

The voice of a woman, she was reciting (الْحَمْدُ لِلَّهِ الَّذِي هُوَ لَكُمْ إِلَهٌ وَرَبٌّ لَمَّا جَاءَكَ الْمُرْسَلُونَ). He stopped and answered. The voice of a woman (يَا أَيُّهَا الْمَرْءُ الْكَافِرُ) in this Soorah-e-Muharaka, the order is changed (1) day of Judgement (2) final destiny (3) HELL (4) Paradise (5) Signs of nature (6) Heavens (Sky) (7) Mountains (8) Earth (9) Preaching (10) Reminder (11) Camel

their behaviour. 6) in Lasty a gain day of

GOLDEN RATIO (Divine Proportion)

This 21st Century. It is most easy to understand

The word **Symbol** - Best Ratio Proportion.

Now it is Scientifically Proved and discovered that there is Extremely, Surprised a

(Number) (Ratio Proportion which is called Golden Ratio is Existed in all natural creations. Specially

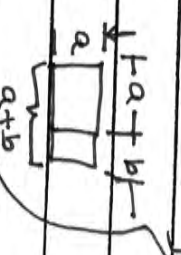

in Human beings's Body and all Botanical and Art. Zoological Kingdoms, in Cosmology, Earth Science

not only Telescopic but also in microscopic level including **STRUCTURE OF DNA**,

We can understand this concept with Fibonacci numbers (0, 1, 1, 2, 3, 5, 8, 13, 21, 34, 55, 89, 144, ...)

It means each subsequent number is the sum of previous two, $144/89 = 1.618$ which is called

Phi $\Phi = \frac{1 + \sqrt{5}}{2} \approx 1.618033988$, $\left[\frac{a+b}{a} \right]$ $\left[\frac{a+b}{b} \right]$

Another Description is Golden Triangle 

if $a = 144$ then $\frac{a+b}{a} = \frac{144+89}{144} = 1.618 \dots \dots \Phi$

We can say that this very complicated mathematical

Number Φ is Governing and existed in all natural design and in most important cause

of beauty, If this Ratio (Φ Phi) is not existed by any reason, the object is naturally ugly

Human being mind decides it an ugly object. For more research, we can check the topics in

Internet - Golden Ratio in nature, in art, Divine Proportion

Fibonacci Number, PHI. So how it is possible that

Nearly in every thing this Ratio is existed, and this

Ratio is Existed **Automatically**? This is another or

Hidden Sign of ALLAH (Being's) Evidence. Not only

Every thing is created by The Greatest Architect

ALLAH (Being's) And Please note that

But also guided by Allah (Being's) And Please note that

is not only creating but also creating in the best Ratio Proportion (which can be explained as Phi) as well after best proportion, reactions, He never left it alone But Lord is He who gave to each thing the straight path (soak & swim) other form and nature, then guided it or right.
