مَعْرِضَات

FAHAM-UL-QURAN

Now we have to start, the understanding of Prayer, which is obligatory for all of us five times a day we can understand only, if we know meaning of all words of a sentence. So I shall try to write very easy meaning of all words. And students shall try to join those words in the correct order. So meaning of Arabic sentence will form in a very easy manner that every student can understand in an easy way.

Now Consider the words which are not in correct order, as under

IS - a - He - car - driving

Now Change the order of those words in such a way that, a meaning full sentence come into existence (Formed)

(Now all students try to form a New Sentence from above highlighted words)

	5	4	3	2	1
	أَعُوذُ	بِالسَّمْعِ	الرَّحْمَنِ	اللَّهِ	أَعُوذُ

Now in above Sentence There are five different words and if we understand the meanings of all five words, then arrange those meanings in, that a meaningful sentence be formed.

	WORDS	MEANING
1	أَعُوذُ	I beg Protection
2	اللَّهُ	OF ALLAH
3	الرَّحْمَنِ	اللَّهُ ← JUSTICE, FROM
4	السَّمْعِ	Satan,
5	بِالسَّمْعِ	The Rejected

Now if we try to join words then.
(I beg Protection of ALLAH from Satan the Rejected.)

	اللَّيْسُ	اللَّهُ	اللَّيْسُ
	اللَّيْسُ	اللَّهُ	اللَّيْسُ
4	3	2	1

In above sentence there are four words and there meanings are given as under

WORDS	MEANING
-------	---------

1
 اللّٰهُ
 I begin with the name of
 اللّٰهُ = اللّٰهُ + ج

2
 اللّٰهُ
 ALLAH

3
 اللّٰهُ
 Most Kind

4
 اللّٰهُ
 Most Merciful

I begin with the Name of ALLAH

(who is) **most Kind** (and who is) **most Merciful** (another meaning is forgiving)

NOTE -: Please note that there many other translations of those two sentences are possible and are in use but in those translations words are for higher level students and difficult to understand for our foundation level

WORDS	MEANING
2 عَلَيْهِ عَلَيْهِ	"O ALLAH"
3 وَ	"AND"
4 عَلَيْهِ عَلَيْهِ	"ALL Praises are for you"
5 وَ	"AND"
6 عَلَيْهِ عَلَيْهِ	"is blessed"
7 عَلَيْهِ عَلَيْهِ	"Your name"
8 وَ	"AND"

WORDS	MEANING
9 Usta	"is most high"
10 Usta	"Your Position"
11 Usta + Usta	"AND"
12 Usta	"NOT (There is no one)"
13 Usta	"able of worship"
14 Usta	"Except You"
Usta + Usta	"Except you"

There are many other translations are possible and are in use. But for our foundation level. If students only join the words between inverted comma's with sense.

It is very important for all students that they try to join the words to make the sentence even the words are not in right order - for example

is - a - driving - He - Car
He is driving a car.

TRANSLATION

[O ALLAH You ARE free from every kind of evil. And all Praises are for you. And your name is blessed And your position is most high. And There is no one, able of worship Except you]

فاية شريف

This Soorah Muबारakah is beginning

of Holy Quran. There are many other names of Soorah, نور الملهة, ام القرآن, شفاء

In This Soorah, all main Topics and belief's are described in brief, It covers belief of ALLAH, Judgement day

against code of Life, Islam The Straight Path, and Holy Prophets

as well misguided People are described. Another important Point is

There is difference of Point of View of

1) Asking help from Superior Them visible worldly system (Normal means and cuses)

2) Asking help under the visible worldly system (Normal means and causes)

No 1 is allowed, for example, you can ask any body for help which he can, like you can ask, help me to load a vehicle

No 2 is not allowed for them ALLAH

Scholars, There is great chance to open a door towards SHUK because a large majority of general Public is ignorant.

Holy Prophets, Angels and EVEN had done this type of help (in Holy Quran described)

Miraculously. But those according to special orders of ALLAH

their existing circumstances. So don't compare miracles of Holy Prophets and angels on normal life

Life

* However many scholars have soft corner for permission of NO 2. But the result is, Practically in front of us, they forget ALLAH and depend on Trust other than ALLAH (Public) and are misguided. This is reality on ground, so always ask help from ALLAH in all matters
