## سورة الطارق

This Soorah Mubarakah was revealed in Holy Makkah, Holy Prophet ﷺ was in the Market of SA'EEF (Sai'if) standing and resting on his walking stick. He said "They He was asking, wishing the help for the Islam" (10) He said, He was recited (10) Mubarakah, Please note This soorah-Mubarakah started with signs, Heaven and stars. Star is described as shooting star for Devils/Demons (travelling between Heavens and Earth. Guards/watching people (Angels), Then a description of modern Scientific reality relating to Human Anatomy. Day of Judgment, all hidden secrets will be revealed, bad people will be helpless. Another sign of Allah at last there is a cure of black magic and witchcraft.

سَمَلْ means Heaven, word سَمَلْ is from سَمَلٌ to means knocking, A guest who came late night and knock the door Arabs said مُمِ تَارِقٌ in this Soorah Mubarakah it means star because star appeared at night and more explanation is already given, as تَارِقٌ means again star and word تَارِقٌ is from تَارِقٌ which means hole, it means if a light is appearing in full darkness, like there is a hole of light in the darkness, most brighting star at time of night - from the word تَارِقٌ

Many scholars pointed that the Surah is also called 'P-No-582 (19/37) Please read from Ayat No-1 to 10: How the shooting stars are destroying devils/demons may be aliens. The surface of moon is filled with craters, possibly those devils or demons changed their direction from Earth to moon, and moon surface is possible refuge of those devils. After these devils, every soul is guarded by guards.

there was a king and he had a sorcerer. When the sorcerer became old, he said to the king:

'I have now become an old man, get me a boy so that I may teach him sorcery.' So the

king sent him a boy to teach him sorcery. Whenever the boy proceeded to the sorcerer, he

sat with a monk who was on the way and listened to his talks and used to admit them

(those talks). So when he went to the sorcerer, he passed by the monk and sat there with

him. And on visiting the sorcerer, the latter thrashed him. So the boy complained about

that to the monk. The monk said to him: Whenever you are afraid of your people, say to

him: 'My people kept me busy', and whenever you are afraid of the sorcerer, say to

him: 'The sorcerer kept me busy.' So the boy carried on like that (for a period).

'There came (on the main road) a huge creature (animal), and the people were unable to

pass by. The boy said: 'Today I will know whether the sorcerer is better or the monk.' So

he took a stone and said: 'O Allah! If the deeds and actions of the monk are liked by You

better than those of the sorcerer, then kill this creature so that the people can cross (the

road).' Then he hit (it) with the stone, and it was killed and the people passed (the road).

The boy came to the monk and informed him about it. The monk said to him: 'O my son!

Today you are better than I; you have achieved what I see! And you will be put to trial.

And in case you are put to trial, do not inform (them) about me.' The boy used to treat

the people suffering from born-blindness, leprosy, leucoderma, and other diseases. A blind

courtier of the king heard about the boy. He came and brought a number of gifts for the

boy and said: 'All these gifts are for you on condition that you cure me.' The boy said: 'I

do not cure anybody; it is only Allah (Alone) Who cures (people). So if you believe in

Allah, and invoke Allah, He will cure you'. He then believed in Allah, and Allah cured

him. Later the courtier came to the king, and sat at the place where he used to sit before.

The king asked him: 'Who has given you your sight back?' The courtier replied: 'My Lord

(Allah)!' The king said: 'Have you got another lord than I?' The courtier said: 'My Lord

and your Lord is Allah!' The king got hold of him and kept on tormenting him till he

informed him about the boy. So the boy was brought. The king said to the boy: 'O boy!

Has your (knowledge of) sorcery reached to the extent that you cure born-blinds, lepers,

leucodermic patients and do such and such?' The boy replied: 'I do not cure anybody; it is

only Allah (Alone) Who does cure'. Then the king got hold of him, and kept on

tormenting him till he informed him about the monk. And the monk was brought, and it

was said to him: 'Give up your religion (turn apostate)!' The monk refused to turn

149 down in a pillar of cloud; he stood at the entrance to the Tent and summoned Aaron and Miriam. When both of them stepped forward, he said, "Listen to my words: "When a prophet of the Lord is among you, I reveal myself to him in visions, I speak to him in dreams, but this is not true of my servant Moses: he is faithful in all my house. With him I speak face to face, clearly and not in riddles; he sees the form of the Lord, why then were you not afraid to speak against my servant Moses?"

167The Lord said to Moses, "Bring me seventy of Israel's elders who are known to you as leaders and officials among the people. Make them come to the Tent of Meeting, that they may stand there with you. I will come down and speak with you there, and I will take of the Spirit that is on you and put the Spirit on them. They will help you carry the burden of the people so that you will not have to carry it alone. Tell the people: 'Consecrate yourselves in preparation for tomorrow, when you will eat meat. The Lord heard you when you waited.' If only we had meat to eat! We were better off in Egypt! Now the Lord will give you meat, and you will eat it. You will not eat it for just one day, or two days, or five, ten or twenty days, but for a whole month—until it comes out of your nostrils and you loathe it—because you have rejected the Lord, who is among you, and have waited before him, saying, 'Why did we ever leave Egypt?' But Moses said, "Here I am among six hundred thousand men on foot, and you say, 'I will give them meat to eat for a whole month!' Would they have enough flocks and herds were slaughtered for all the fish in the sea were caught for them? Would they have enough if I had craved other food. From Kibroth Hattaavah the people travelled to Hazeroth and stayed there."

12 Miriam and Aaron began to talk against Moses because of his Cushite wife, for he had married a Cushite. "Has the Lord spoken only through Moses?" they asked. "Hasn't he also spoken through us?" And the Lord said to Moses, "Hear the voice of the Lord. Yet elders, but did not go out to the Tent. These are the names of the men Moses sent to explore the land. (Moses gave Hoshai son of Nun the name Joshua.) When Moses sent them to explore Canaan, he said, "Go up through the Negev and on into the hill country. See what the land is like and whether the people who live there are strong or weak, or poor? Are there trees on it or not? Do your best to bring back some of the fruit of the land." (It was the season for the first ripe grapes.) So they went up and explored the land from the Desert of Zin as far as Rehob, towards Lebo Hamath. They went up through the Negev and came to Hebron, where Ahiman, Sheshai and Talmai, the

سورة استعراق

### THE SPLITTING ASUNDER

Recit Soorah-e-Mubarakka. Following are important

Points - I. APOCALYPSE (END OF WORLD)

ii. RETURNING TOWARDS ALAH (سكانه ترائل) (MANKIND)

iii. SCENE OF ACCOUNTABILITY AND FEELINGS

iv. SWARS then stages of JOURNEY

v. FINAL DESTINATION OF Good and Bad People

### END OF WORLD

We The Muslims are very Lucky People, the matters

or Scientific discoveries, which are discovered by

Scientists and Philosophers after hundreds of years

times and after spending billions of <sup>we found in Quran</sup> pounds.

All the modern Scientific research is tending

towards the Proofs of GOD (ALLAH (سكانه ترائل))

But, because, Print and Electronic Media is in

the control of Satanists, Tendo Maonic

Conspirators (Specially, ILLUMINATI is the Chief

Co-ordinator of all these conspiracy Headed by

Satan himself), that's why they never informed

Public that all Scientific discoveries are Proving

**BELIEF OF GOD.** (سكانه ترائل)

What scientists and Philosophers discover after

100 years time and spending billion of Pounds

**THIS CONCEPT IS ALREADY IN THE**

**HOLY QURAN 1400 YEARS AGO.**

**BEGINNINGS BEGINS OF UNIVERSE IS**

**ALREADY IN HOLY QURAN**

اللهم صل وسلم على سيدنا محمد وآله واصحابه وازواجه وذريته وعترته بعد ذلك صلواتك

اللهم صل وسلم على سيدنا محمد وآله واصحابه وازواجه وذريته وعترته بعد ذلك صلواتك

**END OF WORLD IS ALREADY IN QURAN**

Now Scientists are informing the BIG BANG. Have not those who disbelieve. Known that the heavens and Earth were joined together as one united Piece, then we parted them and we have made from water every living thing (or water is the main source of life)

(2)

اللهم صل وسلم على سيدنا محمد وآله واصحابه وازواجه وذريته، وعترته بعدد ما خلق الله

will they not then believe. (Please note in Arabic word <sup>جاء</sup> has many meanings). This is the same concept New scientists are deeming as **BIG BANG**. Now the Islamic Scholars are advising those cosmologists that now you need to stop your research about beginning of the universe, because your conclusion is testified and proved by God's words as in Holy Quran **RESULT IS CONVERGED**.

Please note in this regard. An experiment is in progress and the scientist's announced new discoveries about **"GOD PARTICLE"** (a nickname of Higgs boson particle) (13-12-2011) near Geneva there is a largest Particle Physics Laboratory. **CERN**, 7931 Scientist are working for finding the origin of universe and other related physics experiments. Holy Quran has already informed us. Not only beginning of universes, but also end of universes as well as after this end, beginning of next phase and what are the circumstances in the next phase. Once upon a time our beloved Holy Prophet was describing the Palaces (الجنات) and Gardens of Paradise, and informed that the neighbour Palace will be on the distance of 500 years travelling of a fast horse rider. Companions asked <sup>سألوا رسول الله صلى الله عليه وسلم</sup> <sup>distance asked</sup> how they will travel, Holy Prophet (صلى الله عليه وسلم) replied, they will travel by **BUREAD** (برق).

A travelling source of night Travel (البرق) (Electric or lightning, fussion or diffusion) (40/21) (P-997)

(We are not in position to define exactly what will be) Please note with our most authentic source Holy Quran we know what happened in past, what is happening in present times (23-12-2011) and what will happen in future.

Day of Judgement is not happened until know, But the 100% true Dialogues of This day, are already given in Holy Quran. and about end of world it looks like **A MOVIE - IS ENDED. But FOR US, ITS LAST PART IS REMINDING** the main Problem is that a large majority of mankind is not believing the Truth and the so called <sup>Religions</sup> are <sup>careless</sup> care less.

## BEHAVIOUR OF A MUSLIM TOWARDS MODERN SCIENTIFIC THEORIES

Please note that when any new scientific theory introduced do not accept it at once. 1st of check Holy Quran, then the Authentic AHADITHS, and if you find any thing against this new scientific theory then reject it, because mostly scientific changed their initial discoveries and announced latest concepts, and if Holy Quran or Authentic Hadiths also describe similar concept, then accept, it, because new scientific research tally or similar with the MASTER (HOLY) That's why the Islamic DOCUMENT (QURAN) Scholars are not against BIG BANGS, But are against EVOLUTION, when modern scientific research is same as Holy Quran then result converges and need not to research in further dimensions

## END OF WORLD

When a fruit is ripened, and no body will pluck it what happened? It will fall down on the ground automatically. This is the same case with this temporary world. Time of our Hazrat Adam Alaih Salam is approximately 6000 or 7000 years, according to religious point of view. Please note last 6850 years, the development of science engineering and technology was very very slow. But what is happening last 250 years, just in last 200 years, there is a great

revolution in all fields of life, cosmology, zoology, geology, embryology, physics, chemistry, all branches of engineering and technology, what a human man

Except, Psuedosciences, Spiritualism, because modern science and technology are Laboratory, has not basic concepts, Spiritualism is beyond the limits of science and technology. Last 200 years progress 99% base of all development is electricity 1870. ② Aeroplane 1903 ③ Computer in industry 1970. ④ Telecommunication ⑤ Railway ⑥ Telephone ⑦ Telegraph ⑧ 1850 Commercial Engine ⑨

اللهم صل وسلم على سيدنا محمد وآله واصحابه وازواجه وذريته، وعترته بعد ذلك صلوات

اللهم صل وسلم على سيدنا محمد وآله وأصحابه وأزواجه وذريته وعترته بعد ذلك صلواتك  
 They will receive their Result sheet with Left Hand from their backs. they will call death because they were lazy and careless about day of the Judgement. They Paused all their Life for a luxurious way of life. They never Change their Life according to the order of Allah ﷻ

**BAD PEOPLE WERE VERY SATISFIED AND HAPPY IN THEIR HOUSES WITH THEIR FAMILIES IN THE LIFE OF WORLD (Now they wish Death)**

**HOWEVER GOOD PEOPLE PASSED THEIR LIFE OF WORLD IN PAIN TENSION, POVERTY AND DEPRESSION**

(But on day of Judgement they wish long life in a ultimate luxurious style for unlimited time)  
 Holy Prophet ﷺ said  
 كَيْسَىٰ أَحَدٌ يَأْتِي الْإِلَهَ فَلاَ  
 one who ask for

Accountability he will be destroyed/dead/lost  
 Bibi Aisha (رضي الله عنها) asked O Prophet of Allah ﷺ  
 ALLAH ﷻ سَأَلْتُهُ مَاذَا يَأْتِي الْإِلَهَ فَلاَ  
 فَأَمَّا مَا يَأْتِي الْإِلَهَ فَلاَ وَالْعَرَبُ يَأْتِي الْإِلَهَ فَلاَ  
 For good People it will be just a formality, But

A Person is asked for real accountability, But He will be finished/dead  
 Similar Subject in more detail is in 40th surah Ahat-No-19, To-37, that good People will be awarded by giving result sheets in their right hands

They will ask fellows, Read my result sheet. I believed in my temporary life that. There will be accountability on day of Judgement. And bad People will receive their Result sheet or accountability Book in their Left Hand, and he will say I wish that I had not been given my record. And that I had never known how my account is. Would that I had been my end or Alas I have to receive my permanent death.

اللهم صل وسلم على سيدنا محمد وآله وأصحابه وأزواجه وذريته وعترته بعد ذلك صلواتك

So this Accounts and Records will not be shown to me. My wealth and power never helped me on flames of fire. This is similar like a student is registered in an institution. Now if he/she attended classes or not, appeared in Exams or not. But he/she must be received the Result sheet/Records. Fail or Pass. This is same if a Human being is born in this type HE/SHE MUST BE ALIVE AGAIN ON DAY OF JUDGEMENT FOR ACCOUNTABILITY.

اللهم صل وسلم على سيدنا محمد وآله واصحابه وازواجه وذريته وعترته بعد ذلك صلوات

They is equal reward and equal punishment for deeds. In many matters women are better than men, like Paradise is under feet of mother. 2) As a wife in a family unit never cook food of economic/protection/food, clothes, shelter, transport, education. If women never cook food and husband needs to provide cooked food to all family.

التي يكون. The huge mountains will be like craded wool. The most important wealthy things will be neglected. Like camels in these days. The wild bearts will be gathered, and revenge of bearts will be finalised. Sears become as blazing fire. Another when souls will be united with bodies. or good people will be joined with good and bad with bad.

When female infants **وان اليتيم واليتيم** who was buried alive. It was a worst crime committed by Arab people in those time. they killed their own female babies. for following reasons

1:- Due to Economic reasons, it was very hard to feed children specially girls, because father have no chance of returning money from girls.

2:- Boys will help in the house as well they were physically strong and help father in the tribal fights.

3:- However girls need protection in war and if tribe was defeated girls turned into slaves and sold in other areas

4:- A lot of money need to spent all their life and arrange their weddings, and in law's family specially son in law want plenty of dowery and respect in ground.

So they dug a hole already before birth, and if a girl born, then father quickly buried alive the infant. if by chance with the pressure of mother, infant was saved, then father buried alive in the toddler stage in desert. The desert, or in a jungle. Many people described their own stories to our beloved Holy Prophet (ﷺ) after hearing He was cried, his beard was wet with tears after hearing those women, in all cases.

اللهم صل وسلم على سيدنا محمد وآله واصحابه وازواجه وذريته وعترته بعد ذلك صلوات

:- HE FROWNED :-

"سورہ سحر"

No body even think that "This Soorah - Mubarak aka ALLAH is angry with his beloved Holy Prophet ﷺ. In this action he was looking So nice and Loving. ALLAH He was looking Recorded his this Action in His final Book, in Holy Quran, and also comforted Him and Encourged him that

وَمَا عَلَيْكَ إِلَّا نَجْوَىٰ

There is no burden of responsibility on you, if he does not adopt purification (its mean accepting Islam)

Another name of our beloved Holy Prophet

هو الله تعالى عليه السلام is **كريم** as in the Ayat - No-128 of

سورہ نوح. The meaning of كريم is

Ardently desiring :- Because our beloved Holy Prophet ﷺ was too

much desirous that all mankind specially the

People of Mecca and specially chiefs of Tribes will accept Islam. So Islam will

Progress quickly with the help of those chiefs

because there was not a suitable word

of Positive Sense to Show the desirous

Feeling of our beloved Holy Prophet ﷺ (عليه السلام) used the word

ALLAH used the word **كريم** (عليه السلام) is

## LESSON FOR UMMAH AND ISLAM PREACHERS,

اللهم صل وسلم على سيدنا محمد وآله واصحابه وازواجه وذريته وعترته بعدد قلح علومك

Because Holy Prophet ﷺ was leader and Chief of Islamic Movement for all worlds until the day of Judgement, that's why for all orders he was directly addressed, but there is a special lesson for us, that give more attention to the people, who are interesting to get knowledge and don't worry about the people who are not interested. **CAUSE OF REVELATION -:**

Once upon a time Holy Prophet ﷺ was preaching Islam, to Chiefs of Mecca, specially including *Abulhasib, Abu Sufyan, and Amr bin Nufayh*.

Some time a companion his name was *crippled* came and asked *ارشدني* (Guide me, Holy Prophet ﷺ was dis-

turbed and his face was angry and he turned his Holy face from him and try to convince those Chief's again, this is cause of revelation, After this Soorah - Mukaraka, Holy Prophet ﷺ never neglected him, and appoint him two times

Governor of Holy city of Madinah - Tul-Munawwarah And when ever he came, Holy Prophet ﷺ approached him, and said, Abdullah (Do you want to ask any thing, **IMPORTANT POINTS**

• Importance of Holy Quran and Respected Angels

• Reminding Human being blessing of Allah and His disobedience made angry, and

**DAY OF JUDGEMENT:**

- Human beings flee from all close relatives
- Faces of People will tell their destination

The after the event of Preaching the This so-called Mubarakka describes the General behaviour of Human being. And ALLAH ﷻ used a very Special curse for disbelievers **قَاتِلُوا النَّاسِ كَمَا قَاتَلُوا** It means be slaughtered A man how - **قَاتِلُوا النَّاسِ كَمَا قَاتَلُوا** Ungulate full is he/she. Then ALLAH ﷻ Describes the detail of Early stages of Human Embryology. Then Embryology is involved and in next Ayat Mubarakka, the points of Gynaecology and obstetrics and beigning steps of a human being on this Planet how much ALLAH ﷻ Helps, Before birth, at the time and after birth, There are Signs of ALLAH ﷻ. Then ALLAH ﷻ Causes him death, and after death made arrangement for burrial, not like other Animals, that dead body will be eaten by other animals. He will resurrect him again, **DEAD BODIES WILL ALIVE FROM THE BACK BONE**. There is a "Hadith Mubarak in IBNE-ABEE-HATIM, that our beloved Holy Prophet ﷺ said, that all body parts of human being be decomposed in Earth. Except a very tiny part from back bone. Then from this tiny part life will be again back in the dead body. Scientists are researching and predicting that life can be possible again through **backbone**.

Experiments with structurally modified nuclear acids have suggested that Polyelectrolyte (Polyanion and Polycation) Structure of **DNA** and **RNA**, derived from the repeating phosphate group in the **backbone**, gives them their **COSMIC-LOPER** behaviour. This Paragraph is from **SIGNS OF LIFE**. A Report based on the APRIL 2000, Workshop on Life detection Technologies National Research Council, The National Academic Press 500 Fifth Street, N.W Washington DC 20001
